## TV HOLDER SOLUTION ART123

As in all models of our solution range, the art123 TV holder can also be swiveled into any desired position, thus affording an optimum view from anywhere in the room.

The cable routing is concealed in the anchoring pivotal column.

### FEATURES AND BENEFITS

- > swivel arm in different lengths up to 87 cm (select according to TV width)
- > high-quality bearings allow stable rotation (TV 90° to the wall)
- > small wall-clearance in parkposition (approx. 50 mm)
- > high-quality and sustainable materials ensure maximum quality
- > design and production "Handmade in Germany" with an everlasting lifespan
- > high-quality and durable powder coating (extension arm)
- > hidden cable management (invisible inside the arm and the column)

### DIMENSIONS

- > size 1: For TV screens up to 55" (up to 55 kg): 54 cm swivel arm; max. wall clearance 58 cm; height 142 cm, screen middle 100 cm
- > size 2: For TV screens up to 65" (up to 55 kg): 67 cm swivel arm; max. wall clearance 71 cm; height 150 cm, screen middle 108 cm
- > size 3: for TV screens up to 85" (up to 80 kg): 87 cm swivel arm; height, 170 cm; max. wall clearance 91 cm, screen middle 120 cm
- > for TV installation VESA 100 to 600 mm

### MATERIAL

- > swivel arm: steel with stove-enamel finish (powder coating, black)
- > anchoring pivotal column finely brushed stainless steel

### OPTIONS

- > additional RAL color for anchoring pivotal column and/or swivel arm
- > overall height to customer specification
- > mount for soundbar or center speaker
- > AV-board (to swivel with the TV)

## TV HOLDER SOLUTION ART121

TV holder art121 allows you to swivel the television into any angle providing optimum view from anywhere in the room. Special feature: concealed cable management. In the park position, the model art121's anchoring pivotal column stand will always be positioned on the left hand side.

### FEATURES AND BENEFITS

- > swivel arm in different lengths up to 85 cm (select according to TV width)
- > high-quality bearings allow stable rotation (TV 90° to the wall)
- > small wall-clearance in parkposition (approx. 60 mm)
- > high-quality and sustainable materials ensure maximum quality
- > design and production "Handmade in Germany" with an everlasting lifespan
- > high-quality and durable powder coating
- > hidden cable management (invisible inside the arm and the column)

### DIMENSIONS

- > size 1: for TV screens up to 55" (up to 50 kg): 52 cm swivel arm; height 144 cm; max. wall clearance 56 cm; screen middle 100 cm
- > size 2: for TV screens up to 65" (up to 50 kg): 65 cm swivel arm; height, 144 cm; max. wall clearance 69 cm, screen middle 100 cm
- > size 3: for TV screens up to 85" (up to 80 kg): 85 cm swivel arm; height, 170 cm; max. wall clearance 89 cm, screen middle 125 cm
- > for TV installation VESA 100 to 600 mm

### MATERIAL

- > powdercoated steel with fine textured finish, in matt black, white or silvergrey
- > swivel element (backside) in stainless steel

### OPTIONS

- > additional RAL colors
- > overall height to customer specification
- > mount for soundbar or center speaker
- > AV board

## TV HOLDER SOLUTION ART112

The functional design embodied in our solution range enables the TV screen to be mounted in such a manner as to hang very flat against the wall, and to be capable of being swiveled into any desired position, thus affording you a perfect view of the screen from anyplace in the room. Special feature: concealed cable management.

### FEATURES AND BENEFITS

- > swivel arm in different lengths up to 99 cm (select according to TV width)
- > high-quality bearings allow stable rotation (355° and TV 90° to the wall)
- > high-quality and sustainable materials ensure maximum quality
- > design and production "Handmade in Germany" with an everlasting lifespan
- > high-quality and durable powder coating (extension arm)
- > hidden cable management (invisible inside the arm and the column)

### DIMENSIONS

- > size 1: TV screens up to approx. 55" (up to 50 kg)  
80 cm between horizontal cross struts; 64 cm swivel arm; height 151 cm, max. wall clearance 82 cm
- > size 2: TV screens up to approx. 65" (up to 60 kg)  
88 cm between horizontal cross struts; 73 cm swivel arm; height 158 cm, max. wall clearance 89 cm
- > size 3: TV screens up to approx. 75" (60 kg)  
102 cm between horizontal cross struts; 84 cm swivel arm; height 173 cm, max. wall clearance 93 cm
- > size 4: TV screens up to approx. 85" (up to 85 kg)  
122 cm between horizontal cross struts; 99 cm swivel arm; height 195 cm, max. wall clearance 115 cm
- > overall width: width of TV + 12 cm (4,7")
- > center of TV screen from floor approx. 100 cm (size 1), 104 cm (size 2), 110 cm (size 3), 120 cm (size 4)
- > for TV installation VESA 100 to 600

### MATERIAL

- > finely brushed stainless steel
- > regular steel, powder-coated

### OPTIONS

- > AV board in 2 different sizes
- > cross struts and AV board in a different RAL color
- > overall height to customer specification
- > mount for soundbar or center speaker (swiveling with the TV)
- > wall mount for corner mounting

> art128-1

> art128-NA

## TV HOLDER SOLUTION ART128-1 AND ART128-NA

Full swivel range for best angle of view (depending on the width of TV set) concealed cable management.  
Same functionality as our art123 but the vertical column in angular design (9,5 x 4 cm)

### FEATURES AND BENEFITS

- > high-quality bearings allow stable rotation (TV 90° to the wall)
- > small wall-clearance in parkposition (approx. 45 mm)
- > high-quality and sustainable materials ensure maximum quality
- > design and production "Handmade in Germany" with an everlasting lifespan
- > high-quality and durable powder coating (extension arm)
- > hidden cable management (invisible inside the arm and the column)

### DIMENSIONS

- > size 1: For TV screens from 40" to 55" (up to 30 kg): 55 cm swivel arm; max. wall clearance 58 cm; height 142 cm  
center of TV screen approx. 100 cm from the floor
- > size 1-NA: TV from 40" to 55" (up to 30 kg): swivel arm 55 cm; max. wall clearance 58 cm; without vertical column (wallmount in stainless steel)
- > size 2-NA-65: TV from 55" to 65" (up to 25 kg): swivel arm 67 cm; max. wall clearance 71 cm; without vertical column (wallmount in stainless steel)
- > for TV installation VESA 100 to 600 mm

### MATERIAL

- > swivel arm: steel powder coating, black
- > anchoring pivotal column finely brushed stainless steel

### OPTIONS

- > additional RAL colors for the column
- > overall height to customer specification
- > mount for soundbar or center speaker
- > AV board

LESS IS MORE

> 1-axes

> 2-axes

## TV HOLDER POST ART129

In this model, a stainless steel anchoring pivotal column provides the basis for a swiveling TV holder with concealed cable management. A TV set thus mounted can either be turned on the anchoring pivotal column (1 axes, up to 50 kg) or swiveled around it using the extendable arm (2 axes of motion, up to 35 kg). For TV screens from 40" to 85". (for different TV sizes upon request)

### FEATURES AND BENEFITS

- > swivel arm in different lengths up to 120 cm (select according to TV width)
- > high-quality bearings allow stable rotation (TV 90° to the wall)
- > high-quality and sustainable materials ensure maximum quality
- > design and production "Handmade in Germany" with an everlasting lifespan
- > high-quality and durable powder coating (extension arm)
- > hidden cable management (invisible inside the arm and the column)

### DIMENSIONS

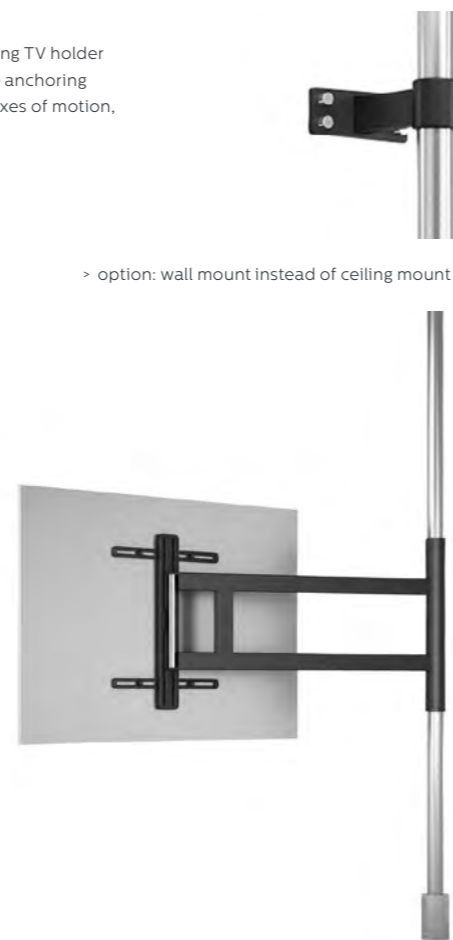

- > diameter of anchoring pivotal column; 6 cm (2,4")
- > for use up to a ceiling clearance of 330 cm or on request (129,9")
- > swivel arm (version with 2 axes of motion) 52 cm (20,5")
- > AV shelf: 47 x 40 cm (18,5" x 15,7")

### MATERIAL

- > column in finely brushed stainless steel
- > steel with stove-enamel finish (powder coating, black)

### OPTIONS

- > additional RAL colors for the swivel arm
- > swivel arm up to 120 cm
- > column for up to 600 cm room height
- > AV shelf 47 x 40 cm (up to 3 units)
- > mount for soundbar or centerspeaker
- > cables entrance from the upside or from the downside

> option: wall mount instead of ceiling mount

> option: double arm in desired length for large or heavy TV sets

> 1-axes > 2-axes

TIMELESS DESIGN

- > anti-theft protection

### TABLET STAND FLEX ART183

The new and exclusive tablet stand in minimalist design: easy to assemble, swivels fully, flexible, and very stable.

The selected material combination of brushed stainless steel and finely textured matte surfaces lends the stand a high-end, elegant appearance.

The flexible gooseneck allows the stand to be moved in any direction, remaining stable however positioned.

Perfect for watching movies in bed, working from the comfort of your sofa, or as a music stand. The Flex art183 is usable in many situations.

It makes using a tablet and everyday life in general easier.

Each stand is supplied with two tablet holders which are easily interchangeable and fully rotatable. The solid base ensures stability.

#### DIMENSIONS (H X W X D)

- > gooseneck - Diameter: 1.5 cm (0.59 inches); Length: 60 cm (23.6 inches)
